Cape Cod, Hyannis Port, Nantucket

Itinerary

Day 1 (Saturday)

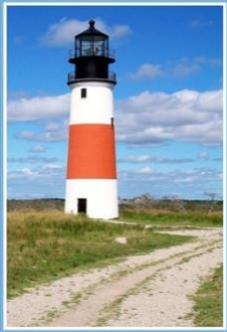

Today we depart Vermont and travel to (THE) sandy beaches of Cape Cod. Here you will get a glimpse of 10,000 miles of beach. After checking into the hotel, sit back and enjoy the many amenities: pool, fitness center, and beach spa.

Day 2 (Sunday)

This morning after breakfast, you will have free time with options to shop at Hyannis or stay back at the resort to enjoy your appointment with the masseuse, or play in the indoor water park. After lunch, we will re-group and head to enjoy a performance at the Cape Cod Symphony. This evening will include a well appointed group dinner.

Day 3 (Monday)

This morning we are off to Hyannis after breakfast for a cruise to Nantucket. We will have lunch at a local eatery as we discover more about this giant whaling community with its cobblestone streets and colonial mansions. After lunch, we will enjoy a sightseeing tour by bus, allowing us to see approximately 80% of the island. There will be additional time to browse through Nantucket before returning on the cruise to the main land.

Day 4 (Tuesday)

Today after breakfast we will explore the Cape to its narrow tip. You will see Highland Lighthouse perched on the sand cliffs, and Province Land Visitor Center set in the dunes. There will be time later for exploring Provincetown Center, the Pilgrim Monument before returning to Hyannis. As we leave Provincetown, enjoy a few stops along the scenic 6A. This evening enjoy a special farewell dinner at the Daniel Webster Inn. Weather permitting, we will stop at the Heritage Garden Park for a real treat!

Day 5 (Wednesday)

After checking bags for our departure, we will visit the Sandwich Glass Museum to see firsthand how this famous glass is blown. Before making our trek back to reality, enjoy a fabulous meal at a private B&B in Sandwich.
