

Fall Foliage Train

October 1, 2017

ALL ABOARD!

Ride the World's First Mountain Climbing Train, *the only Cog Railway East of the Rockies*, to the Top of Mount Washington at 6288 feet- the Highest Peak in New England!

Passengers will experience a sense of adventure and history on the Mount Washington Cog Railway's 3-hour guided *Fall foliage* train tour to the highest peak in the Northeast. With approximately one hour to spend at the 6,288 foot summit, visitors can take in the spectacular panoramic view, spanning the mountains and valleys of New Hampshire, Maine, and Vermont, north into Canada, and east to the Atlantic Ocean. Visitors will delight in exploring the mountain-top community which includes the Sherman Adams Visitors Center, Mount Washington Observatory's Weather Museum, and 1853 Tip Top House. Visitors can send a postmarked stamp from the top of Mount Washington and get their photo taken at the summit marker.
